

DENTAL INSURANCE

We are pleased to offer you the ability to enroll for dental coverage on an individual basis. Please keep in mind that the plans offered in the links below are NOT serviced by Firebird International Insurance Group, LLC. Therefore, any enrollment or claims questions must be directed to the customer service department for these companies.

IMPORTANT: The different plans offered by these companies cover many dental services. However, they **do not cover everything**. Your “plan documents” list all the details for the plan you choose. This includes what’s covered, what’s not covered and the specific amounts you will pay for services. Plan document names vary. They may include a Booklet-Certificate and/or any riders and updates that are included.
