

## ADDITIONAL HEALTH INSURANCE COVERAGE OPTIONS

Students who do not meet the eligibility requirements under the international student school-sponsored health insurance plan or have dependents (spouse and/or children) who are not eligible for coverage under the school-sponsored health insurance plan, Firebird is providing recommendations for other coverage:

### Option 1

If you are looking for a plan that covers pre-existing conditions, if you are currently pregnant or you are looking for routine/wellness benefits, mental health benefits, etc., we recommend enrolling your dependents in an Affordable Care Act plan (also known as Obamacare). Please keep in mind that these types of plans are more expensive and **Firebird does not have any connections to these plans**, therefore, we are unable to provide any additional assistance with enrollments, claims or general questions. Also, **these plans do not include medical evacuation or repatriation of remains benefits.**

If you choose to enroll yourself and/or your dependents in an Affordable Care Act plan, please click on the links below according to the state you are in. We have also provided telephone numbers for these sites for further assistance by licensed agents.

For WA: [www.wahealthplanfinder.org](http://www.wahealthplanfinder.org)

For OR: [www.healthcare.gov](http://www.healthcare.gov)  
Phone: 1-800-318-2596

### Option 2

This is an individual plan that will allow you to choose your own deductible levels and maximum limits of coverage. The plan has more exclusions and limitations than an Affordable Care Act plan, the premium is much less in most cases. It is a plan that is designed more for **unexpected illnesses or injuries** and should be reviewed carefully.

With this plan, you can enroll and pay by credit card, receive a medical insurance ID card and a policy, all online. If you choose to enroll yourself and/or your dependents under this individual plan, please click on the link below to be directed to get a quote on the cost for this coverage.

**Firebird does not have any connections to these plans**, therefore, we are unable to provide any additional assistance with enrollments, claims or general questions.
